Shadow & Stinger Brothers, Log on ksat.com (San Antonio news site below) and you will read (text) and view (video) about CMSgt Bill Petrie and his recognition at Lackland as an airman who helped make history as an IO SSgt on a Stinger mission over Laos during ARVN Operation Lam Son 719 that resulted in eight Soviet-made tanks destroyed by Stinger 04 from 18th SOS Alpha Flight at Da Nang.

From airman and chief, there lies within a memorial event that distinguishes a true American hero.

Not only is this newsworthy for THE FIRING CIRCLE newsletter, but it shows the importance of upgrading the AC-119 gunship website so videos of this nature can be viewed. Cheers, Fletch

p.s. I deleted Bill P. from this e-mail on purpose.
