But I think it would be best if we talk over the phone. Would there be a good time for me to contact you later in the week? Amy**

From: jim mattison **Sent:** Sun, Sept 22, 2013 6:58 PM **To:** Wayne Laessig **Wayne;** So far the only real problem is in the 2nd bullet point in the proposed form. The "liability" phrase is a red flag to many; I am not really comfortable with it either. I can't think of what liability the Vet Center would want protection from. I am attaching what I think would be a more acceptable revision. I have stricken the 2nd point & renumbered accordingly. I also modified the new 2nd point to say "Boardmembers" to correct what I think was just an oversight. Jim

From: [Wayne Laessig](#) **Sent:** Fri, Sept 20, 2013 3:55 PM **To:** [Jim Mattison](#) Jim, The initial feedback I got from TTU was that our form would not allow them to usefully archive our materials if they were donated. With that in mind, I'm trying to fairly fast get a consensus from you-uns plus the Vietnam Center folks on a form acceptable to both. Let me know what you think about the form I pasted together from yours & theirs. What do we need to change? Thanks! Wayne

We have over 125 individual &/or group video sessions. Bottom Line is that since our videos are not technically a part of the Oral History Project, our guys really balked at signing your TTU Oral History Release Form. We've been using the attached format for a while & I'd like to use it for our Reunion next week. My intent is to ask everyone to sign one; I strengthened our partnership & authorization of the Vietnam Center & Archives. Will our Media Release suffice for your (Vietnam Center & Archives) requirements on access, use, distribution, etc? We realize our material might not become a formal part of the Oral History Project, but we also see that what we've gathered can be linked with it. I'll call early next week to discuss with you. Thanks! Wayne Cell 707-592-4492

No matter whether you've already completed a video session, or are doing one at this Reunion, PLEASE complete this form and drop it off to Ev Sprous in the Hootch.

Over the years we've gathered a LOT of pictures, orders, awards, and other documents or items from you. If we ever want or need to use those for anything, we'd need your authorization to do that. Many of us signed releases for our video sessions, beginning with our Wright-Patt Reunion in 2005, but we've been working with the Vietnam Center at Texas Tech University (TTU) to archive all our data for future use and this form should cover us for everything.

Here is a link to our oral history release form so that you can take a look at it. <http://www.vietnam.ttu.edu/oralhistory/participation/forms/release.pdf> Again if you have any questions, please do not hesitate to contact me. Veterans Associations are one of our primary ways to get the word out to Vietnam Veterans to donate materials to us, & you guys provide a point of contact that we would not be able to get without your help.
