

A Time Sensitive & Special Situation

Greetings AC-119ers:

The Association is looking for AC-119ers linked to Patriot Guard Riders. Does anyone have an AC-119 family member (son, daughter, grandson, granddaughter, etc) who rides as a Patriot Guard Rider?

We'd like to know so we can discuss an interesting opportunity with them before we cast our nets wider, beyond our AC-119 family. No guarantees or commitment – just a place for us to begin. If you know of someone like that, please send a short synopsis to Wayne Laessig at Qadvocate@sbcglobal.net or you can call him at 707-592-4492. Please include any military service connection they have/had.

Thank you, and you can call Wayne if you have any questions.
