Hi Members;

We are really going to have to cover alot at our Saturday meeting. I think it would serve us better, if we talked about the items for discussion now, so we have it all together for the meeting. I would like to have a volunteer's from both groups to plan this. I would like one each from the Officer ranks from both groups, and a enlisted from both groups. they can discuss via email or phone on what they would like to do. Some of the items that have come to mind are.

1-Do we want to establish a permanent organization as the AC-119 Gunships.

2-Elect officers for the group, set time limits for each office.

3-look at tax exemptions, or non profit organization.

4-1 Or 2 people to handle all the merchandice such as Hats ,T-shirts Mugs and other items for the group. One place for all items.

5-It has been mentioned again that the Spectre's are going to change to the Gunships. And it has been suggested again to become part of their group. And lose our individualism again. Or do we want to retain our group as the AC-119 Gunships. We have done alot of hard work to gain our part in history, I would hate to see it lost again. in another organization.

I hope you will give this your all ,attention for our group. Fo those who want to volunteer for this Steering comittee, please contact me asap.

Remember 2 each from each squadron 1 officer and 1 enlisted.
