

The AC-119 Gunship Association

July 27, 2022 News Flash

Extending our AC-119 Gunship Legacy Forever

One of our Association's missions is to improve the AC-119s place in history. We are so often overlooked being lost behind the AC-47 and AC-130 media presence. Here we have a great opportunity to help improve our visibility, and place in history. The Association is supporting the **AC-119 Plaque Project**, at the United States Air Force Academy (USAFA). Please check out info at: <https://www.70seapavilion.com/>. Currently, at the SEA Pavilion, there are Plaques for the AC-47 and the AC-130, but NOT the AC-119. Our "Col Mac" is now officially the Chair of the "USAFA AC-119 Plaque Committee", he is in communication with the other Associates who feel this is a meaningful endeavor. Pictured below shows Spectre plaque, as an example. We need your support to make this happen. Col Mac says: "OK you Yankee Air Pirate, You - time for you to GET GENEROUS or get off the Pot". Send your best donation, none too big or too small to:

Steve Mac Isaac
6449 Coventry Hills Dr NE,
Rio Rancho, NM 87144.

The memo space on your check should say for AC-119 Gunship Plaque, made out to AC-119 Gunship Association. Questions, call Col Mac at 302-249-1499, or e-mail colmacmac@mac.com
