**March 29, 2024 News Flash**

## **From your Board and Brothers:**

Our AC-119 Gunship Association has, since day one, focused on always remembering, and being remembered. We've done a lot toward those goals. Today is a day to tell a Vietnam Veteran that they mattered then and they matter now. The link below shows a national effort that we mirror.

“Be the One” to seek out a fellow Vietnam Veteran today and remind them they're always remembered.

Bill Petrie has said it well and often,  
“Yours in True Brotherhood.”
